

Dear Neighbor:

Erickson Retirement Communities is contemplating the development of a Continuing Care Retirement Community at property currently known as Grant's Farm Manor. The property is located on the south side of Gravois Road, immediately to the west of Cor Jesu Academy and east of Musick Road.

You are invited to hear first hand the details of this exciting development at neighborhood meetings on ***Wednesday, October 17, 2007 at 6:30 p.m. or Thursday, October 25, 2007 at 6:30 p.m.*** Both meetings will be held ***at Cor Jesu Academy's theater***, and the presentations each night will be the same, so you can choose the date that is most convenient for you.

Representatives of Erickson will be there to share information about its program and its vision for the community. Erickson is a national leader in providing service-enriched housing for seniors and builds and manages campus-style continuing care retirement communities for retirees across America. Erickson has maintained an unsurpassed record of service to seniors.

One of the hallmarks of Erickson's involvement in any area is to introduce itself and its vision to neighbors early in the process in order to obtain feedback, comments, suggestions, and dialogue before proceeding with any of its developments. We are at that stage now.

Please come and hear about the many attractive possibilities that Erickson can offer to you, your neighbors, your family members and friends. We want to hear your voices and we encourage your comments.

We look forward to seeing you on the 17<sup>th</sup> or 25<sup>th</sup>.

If you have any questions about the scheduling of the presentations, please contact Terri Khan at 889-8000.
