

COMMUNITY OPEN HOUSE

REGARDING GRAVOIS CREEK DEVELOPMENT

Monday, February 19, 2007

7:00 PM – 9:00 PM

Grantwood Village Town Hall, Upper Level

“A group of residents,

along with Grantwood Village, filed a lawsuit June 16 against St. Louis County. The suit challenges the density of a proposed 400-plus unit housing project at Gravois Creek.”

South County Times
June 23–29, 2006

“The attorney representing

the developers said, “the lawsuit has forced the developers to put a hold on construction of these homes.”

Suncrest Call
September 6, 2006

“The ongoing lawsuit

is expensive and financed solely by the community itself — area families sharing a common concern for our neighborhood, and the extent of its traffic and flooding issues. Pledges are needed immediately for the continuance of our legal action.”
